Sat. 14th April 1p.m –Polish House, Liverpool Rd.

Please come to our first Member's Meeting of the year.

Welcome to SPK 2018. It will be a year of looking back, one hundred years.

In 1918, the guns of the Western Front fell silent. WW1, the GREAT WAR, ended. The end of WW1 had profound ramifications and implications for the World, and in particular, Europe. For us Polish Australians it is the 100th anniversary of Poland Regaining Independence. For a full coverage of Events, go to the website:-
